Helen X. H. Bao

January 2025 – Present

Publications (Jan 2025 – Present)

2026

- J Xu, M Liu, HXH Bao (2026). Beyond the ESG Facade: Measuring and Addressing Corporate 'Lip Service'. *Business Strategy and the Environment*. <https://dx.doi.org/10.1002/bse.70759> (JCR-IF 2024: 13.3; H-Index 2025: 173)
- P He, QC Wang, H Wang, J Xue, HX Bao, GQ Shen, S Guo, M Ni, S Wang (2026). From participation to partnership: A systematic review of public engagement in sustainable urban planning. *Environmental Impact Assessment Review*. <https://dx.doi.org/10.1016/j.eiar.2025.108187> (JCR-IF 2024: 11.2; H-Index 2024: 122)
- AH Huang, HXH Bao (2026). Good jobs, good tenants? Understanding racial and gender discrimination in the housing market. *Housing Studies*. <https://dx.doi.org/10.1080/02673037.2025.2498377> (JCR-IF 2024: 2.9; H-Index 2024: 95)
- H Xu, Q Liu, HXH Bao (2026). Impact of straw burning on air quality in China: An empirical analysis based on Landsat-8 moderate resolution satellite monitoring data. *Journal of Rural Studies*. <https://dx.doi.org/10.1016/j.jrurstud.2026.104152> (JCR-IF 2023: 5.1; H-Index 2023: 135)
- C Zhang, HXH Bao, LHT Choy, KW Chau (2026). The hidden cost of uncertainty: How policy instability delays industrial land development in Shanghai, China. *Land Use Policy*. <https://dx.doi.org/10.1016/j.landusepol.2025.107825> (JCR-IF 2024: 5.9; H-Index 2024: 171)
- L Tian, Y Li, H Bao, M Zhang, Z Shen (2026). Beyond Sensing: AI-Driven Planning Paradigm Shifts for Sustainable Development. *Sustainable Cities and Society*. <https://dx.doi.org/10.1016/j.scs.2026.107222> (JCR-IF 2024: 12.0; H-Index 2025: 156)

2025

- H Bao, L Feng (2025). *Behavioural Economic Analysis of Institutional Changes: Lessons Learned from China's Land System Reforms*. Taylor & Francis. <https://www.routledge.com/Behavioural-Economic-Analysis-of-Institutional-Changes-Lessons-Learned-from-China-s-Land-System-Reforms/Bao-Feng/p/book/9781032867366>
- T Wang, L Wan, HXH Bao (2025). Land-use efficiency and local government revenue: Evidence from 272 Chinese cities using a novel structural equation modelling approach. *Environment and Planning B: Urban Analytics and City Science*. <https://dx.doi.org/10.1177/23998083241272092>
- Z Zhao, X Zhou, Z Lin, HXH Bao, T Meng, D Fang (2025). A resident-centric framework for postdisaster infrastructure recovery: Characterizing hierarchical needs and fulfillment cycles to assess urban resilience. *Journal of Management in Engineering*. <https://dx.doi.org/10.1061/JMENEAE.MEENG-6248> (JCR-IF 2023: 5.3; H-Index 2024: 147)
- NH Ismail, MZA Karim, HXH Bao (2025). Foreign Investment and Housing Market Stability in Developing Economies: Empirical Evidence from Malaysia. *Journal of Risk and Financial Management*. <https://dx.doi.org/10.3390/jrfm18040187> (JCR-IF 2024: 0.95; H-Index 2024: 54)
- Y Liu, HXH Bao, J Liu (2025). The Effectiveness of Behavioural Interventions on Residential Location Choices and Commute Behaviours: Experimental Evidence from China. *Land*. <https://dx.doi.org/10.3390/land14061165> (JCR-IF 2023: 3.2; H-Index 2022: 71)

Under Review

- Yangfanqi Liu, Helen X. H. Bao. Aesthetic Value or Appreciation Potential: Measuring Spillover Effects of House Alterations on Neighbouring Properties in the UK. Submitted to *Journal of Housing Economics* (JCR-IF 2024: 2.4; H-Index 2024: 70), under review (April 2026).
- Helen X. H. Bao. Archetypes and Drivers of Deforestation in Central America's Tropical Moist Forests. Submitted to *Nature - Communications Earth & Environment* (JCR-IF 2024: 8.9; H-Index 2024: 75), revised and resubmitted (April 2026).
- Daphne Wing Chan, Natalie Xiaoqi Liu, Helen X. H. Bao. The gender dimension of home-ownership: Evidence from China. Submitted to *Cities* (JCR-IF 2024: 6.6; H-Index 2024: 162), revised and resubmitted (January 2026).
- Harry Houillon, Natalie Xiaoqi Liu, Helen X. H. Bao. House prices, fertility rates, and home-ownership: Evidence from the UK. Submitted to *Urban Studies* (JCR-IF 2024: 4.1; H-Index 2024: 195), under review (May 2026).
- Natalie Xiaoqi Liu, Helen X. H. Bao, Lei Feng. The Effect of Procedural Justice and Psychological Preference on Farmers' Satisfaction with Land Acquisition. Submitted to *World Development* (JCR-IF 2024: 4.8; H-Index 2024: 249), under review (March 2026).
- Natalie Xiaoqi Liu, Helen X.H. Bao, Haijun Bao. Personality, Psychological Pathways, and Residential Mobility Intentions. Submitted to *Habitat International* (JCR-IF 2024: 7; H-Index 2024: 140), under review (May 2026).
- Natalie Xiaoqi Liu, Boxiao Wu, Helen X. H. Bao, Jie Liu, Lei Feng. Farmers' Decisions on Rural Homestead Land Withdrawal: A Value-Function Framework and Determinants. Submitted to *China Agricultural Economic Review* (JCR-IF 2024: 4.6; H-Index 2024: 52), under review (April 2026).
- TH Tang, HXH Bao. When the Cat is Away the Mice Will not Play. Submitted to *Nature - Communications Sustainability*, revised and resubmitted (April 2026).

Work in Progress

- Helen X. H. Bao. Beyond the Office: A Systematic Review of Changing Work Patterns. (May 2026)
- Helen X. H. Bao. Building Urban Resilience Through Nature. (May 2026)
- Helen X. H. Bao. Colonial, graylined and foreign discrimination in rental housing: meta-regression evidence from fifty-four correspondence tests. (May 2026)
- Sun Yi-nuo et al. Personality and Resistance to Public Technology: Big Five Predictors of ETC Non-Adoption. (May 2026)
- Helen X. H. Bao + UUM collaborators (TBD). The ethnic architecture of housing-market matching: buyer-seller dyads and pricing in Malaysia's multi-ethnic sales market. (May 2026)
- Helen X. H. Bao. Foreignness, Ethnicity, and Housing Discrimination. (January 2026)
- Haijun Bao, Zeyi Cao, Yang Guo, Natalie Xiaoqi Liu, Yiju Zhang, Helen X. H. Bao. Geographic Distribution of Personality Traits: A Meta-Analysis of Methodologies, Findings, and Applications. (May 2026)
- Helen X. H. Bao. Advancing personality-inclusive urbanism: Does personality heterogeneity shape preferences for leftover space regeneration?. (May 2026)
- Helen X. H. Bao, Yiju Zhang, Haijun Bao. Mapping Personality at Scale: AI-Based Inference and Spatial Analysis. (May 2026)
- Zeyu Cao, Yang Guo, Yiju Zhang, Xiaoqi Liu, Haijun Bao, Helen Bao. Spatial Personality and Leisure Facility Choice: How Big Five Traits Are Associated with Public Recreation Preferences in Hangzhou, China. To be submitted to *Cities* (JCR-IF 2024: 6.6; H-Index 2024: 162) (May 2026).
- Helen X. H. Bao. Understanding Housing Exclusion as a Process: A Systematic Review.

(May 2026)

- Yang Guo, Zeyu Cao, Yiju Zhang, Xiaoqi Liu, Haijun Bao, Helen Bao. Urban park-type preferences vary by personality traits: Evidence from Hangzhou, China. (May 2026)
- Zeyu Zhao, Jiayu Chen, Helen X.H. Bao, Yuhan Zheng, Zhaoyi Li, John E. Taylor, Tianguang Meng, Dongping Fang. Physical recovery overestimates urban resilience by masking residents' perception dynamics. (January 2026)
- Helen X. H. Bao. What's in a Name? Perceived Ethnic Discrimination in Japan. (May 2026)
