Helen Xiaohui Bao

Professor of Urban Economics & Public Policy
Department of Land Economy, University of Cambridge
17 Mill Lane, Cambridge, CB2 1RX, United Kingdom
hxb20@cam.ac.uk | +44 (0)1223 337 116

Current position and past employment

Period	Role
2025 – present	Deputy Head of Department, Department of Land Economy, University of Cambridge
2024 – present	Director, Lab for Interdisciplinary Spatial Analysis, Department of Land Economy, University of Cambridge
2024 – present	Professor of Urban Economics & Public Policy, Department of Land Economy, University of Cambridge
2023 – 2026	Academic Project Director, School of Humanities and Social Sciences, University of Cambridge
2020 – 2024	Reader in Land Economy, Department of Land Economy, University of Cambridge
2019 – present	Director of Graduate Admissions, Department of Land Economy, University of Cambridge
2017 – 2020	Senior Lecturer in Real Estate Finance, Department of Land Economy, University of Cambridge
2014 – present	Director of International Relations, Department of Land Economy, University of Cambridge
2013 – present	Fellow in Land Economy, Newnham College, University of Cambridge
2009 – 2013	Fellow in Economics, Newnham College, University of Cambridge
2006 – 2017	Lecturer in Real Estate Finance, Department of Land Economy, University of Cambridge
2004 – 2006	Instructor, Department of Management Sciences, Faculty of Business, City University of Hong Kong

Academic qualifications

Degree	Institution
Ph.D. in Statistics (2004)	City University of Hong Kong, Hong Kong. *Thesis:* An Econometric Analysis of the Hong Kong Real Estate Market: Hedonic Price Study and Index Number Construction
M.A. (Honorary, 2016)	University of Cambridge, Cambridge, UK
M.A. in Statistics (2000)	Dongbei University of Finance and Economics, Dalian, China. *Thesis:* Risk Evaluation in the Securities Market of China
B.A. in Finance (1997)	Dongbei University of Finance and Economics, Dalian, China

Visiting positions

- Honorary Associate Professor, The Bartlett School of Construction and Project Management, UCL, 2018 – 2022
- Visiting Professor, School of Public Administration, Renmin University of China, China, 2017 – present
- Visiting Professor, Nanjing Agricultural University, China, 2020 – present
- Visiting Professor, Land and Urban-rural Development Research Institute, Zhejiang University of Finance and Economics, China, 2020 – present
- Distinguished Visiting Professor, Tsinghua University, China, 2026 – 2029 (letter of honorary appointment dated 9 October 2026)
- Distinguished Visiting Professor, Academy of Mathematics and Systems Science, Chinese Academy of Sciences, China, 2026 – present (certificate dated January 2026)

Professional memberships

- American Economic Association
- Asian Real Estate Society
- American Real Estate Society
- International Society for Urban Informatics (ISUI)
- Royal Economic Society

External assessment roles

- Member, REF 2029 Sub-panel 13 (Architecture, Built Environment and Planning), appointed July 2025 by the four UK higher education funding bodies to serve through both the criteria-setting and assessment phases
- External Examiner, Real Estate Undergraduate Programme, School of Business, University of Aberdeen, October 2021 – September 2024
- External Examiner, Master of Science in Real Estate, Department of Real Estate and Construction, University of Hong Kong, September 2022 – August 2025
- External Examiner, Master of International Real Estate, Department of Building and Real Estate, The Hong Kong Polytechnic University, September 2022 – August 2025

Departmental responsibilities (Land Economy, Cambridge)

- Board of Land Economy: 2009 – 2011, 2022 – present
- Cambridge Real Estate Research Centre Management Board: 2013 – present
- Degree Committee: 2014 – 2017
- Research Committee: 2014 – present
- Director of International Relations: 2015 – present
- Director of Graduate Admissions: 2019 – present
- Director of Research (sabbatical leave cover, 2021/2022)
- Member of the Postgraduate Funding Competition Committee: 2022 – present

College responsibilities (Newnham College, Cambridge)

Committee memberships

- Audit Committee: 2017 – 2018
- Council: 2018 – present
- Disciplinary Committee: 2017 – 2018
- Finance Committee: 2013 – present
- Loan and Grants Committee: 2016 – present

College teaching

- Fellow in Land Economy: 80 hours of supervisions per year (Part IIA, Paper 3)
- Undergraduate Tutor: ~35 tutees per year
- Graduate Tutor: ~25 tutees per year
- Graduate Mentor: ~5 mentees per year

Equity and inclusion roles

Supporting students with disabilities, especially mental-health issues and learning difficulties such as autism. I take on a significant proportion of students with Supported Self-Declarations in Newnham (currently 11 students with declared disability among my supervisees, all with mental-health issues). I am also the College's Discrimination and Harassment Advisor.

Research grants

As Principal Investigator

- **"Using Explainable AI in Spatial Analysis to Improve Urban Well-being and Mental Health"**, Cambridge–CityUHK Postdoctoral Research Fellow Scheme, £300,000. 1 September 2025 – 31 August 2029.
- **"Mapping and Studying Global Housing Discrimination"**, Cambridge–CityUHK Postdoctoral Research Fellow Scheme, £300,000. 1 September 2025 – 31 August 2029.
- **"Spatial Governance, Behavioural Interventions and Regional Inequality: A Tale of Two Countries"**, The Royal Society, £12,000. 1 January 2025 – 31 December 2026.
- **"Consortium-building and project development for Horizon Europe call: New sustainable business and production models for farmers and rural communities"**, Horizon Europe Pump Priming Collaboration UK–EU, British Academy, £9,994.56. March – September 2024.
- **"Nudging Towards a Better Financial Future: Applying Behavioural Insights in the Development of Financial Systems in Rural China"**, ESRC & NSFC, £318,236 (ESRC) + CNY 2,000,000 (NSFC, ~£230,000). January 2017 – August 2021.
- **"Financing the New Urbanization Plan in China"**, Xuyi Institute for Financial Research, China, £300,000. October 2016 – September 2019.
- **ESRC International PhD Partnering Initiative (China)**, ESRC, £20,360. January 2013 – December 2015.
- **PhD Partnering Scheme — Proposal Development Travel Grants for India and China**, ESRC & RCUK, £1,500. July 2013.
- **"Semi-parametric Modelling of Sample Selection Bias in Real Estate Price Indices"**, Investment Property Forum Education Trust, £2,500. September 2007 – August 2008.

As Co-Investigator

- **"Shared Beliefs of China's Rural Land Institutional Changes: Formation, Adaptation and Formalization — Construction and Empirical Testing of an Endogenous Institutional Change Model"**, National Natural Science Foundation of China (Renmin University of China), CNY 580,000 (~£65,000). January 2027 – December 2030.
- **"Characteristic analysis, effect measurement, and governance optimization of the operation-oriented transfer of rural homesteads in typical reform pilot areas"**, National Natural Science Foundation of China (Sichuan University), CNY 632,000 (~£71,200). January 2024 – December 2027.
- **"Micro-foundation of China's Rural Land Institutional Changes: Construction and Tests of Dynamic Models"**, NSFC (Renmin University of China), CNY 480,000 (~£55,600). January 2022 – December 2025.
- **"Land Use Policies for Smart City Development in Hong Kong: A Participatory Platform**

Supported by Spatial Analysis Technologies", Interdisciplinary Research Fund in Smart Cities (IRF-SC), Smart Cities Research Institute, The Hong Kong Polytechnic University, HKD 500,000 (~£50,000). July 2021 – June 2023.

- **"Theoretical Modelling and Empirical Investigation of Risk Coupling and Contagion Mechanism"**, NSFC (Huazhong University of Science and Technology), CNY 480,000 (~£53,000). January 2017 – December 2020.
- **"Formal Rules in the Rural Land Institutional Change in China: Development, Implementation and Evolution — Based on Behavioral Economics Theory and Empirical Study"**, NSFC (Renmin University of China), CNY 676,000 (~£67,600). January 2017 – December 2020.
- **"Pricing and Risk Management of Real Estate Financial Assets and Derivatives"**, NSFC (Huazhong University of Science and Technology), CNY 260,000 (~£26,000). January 2013 – December 2017.
- **"The Impact of Land Market on Macro-economy during Transition Period: Theoretical Framework, Institutional and Resource Constraints, and Policy Framework"**, NSFC (Renmin University of China), CNY 430,000 (~£43,000). January 2012 – December 2015.
- **"Research in Integrated Risk Management System of Financial Derivatives Based on VaR"**, Huazhong University of Science and Technology Independent Innovation Research Fund, CNY 300,000 (~£30,000). December 2008 – December 2010.
- **"Urban Land and Residential Housing Markets in Post Reform China: the characteristics, outcomes and hidden problems of fast urbanization process"**, Academic Research Fund, National University of Singapore, S$ 177,370 (~£100,000). April 2007 – April 2010.
